Give your glassware a new lease of life, with this commercial glass polisher from Buffalo

Constructed with 5, expertly-designed polishing brushes and a hot air blower, this glass polisher is able to dry glassware, whilst leaving a crystal-clear finish - something that guests are sure to appreciate

- Suitable for grease removal in food preparation areas and fat fryers
- Can be used to clean floors, walls, fat fryers, canopy filters and hard surfaces
- The unperfumed formula makes this powder ideal for use in food prep environments
- Use 50g per 5 litres to clean greasy floors and kitchen canopies
- Dissolve 250g per 5 litres of water for use in fat fryer tanks or equipment with baked-on grease
- Rinse well with clean water after use
- This product is solely for professional trade users only. This excludes purchase by consumers or domestic households
- For a temporary time only, there is no additional delivery charge for this product
- Due to the nature of this product, our 30-day money back guarantee and free returns policy does not apply
- This product will not be sold to persons under the age of 18. Identification will need to be verified at the point of order and delivery
- Material : Stainless Steel
