Make cold food storage as convenient as possible with the Best Frost SF200 Undercounter Freezer in Stainless Steel!

This undercounter freezer is the solution for any operation that's in need of cold food storage, but tight on space. Just position the unit beneath a counter or work table and store cold products in the roomy 140 litres of space! Its stainless steel design ensures that it withstands heavy, regular use, and its easy to use thermostat makes it easy for optimal performance. The eco-friendly refrigerant even benefits the environment, providing your operation an easy way to look after not only your customers, but the earth, too.
