Let the irresistible aroma of warm, golden brown, toasted bread and bagels tempt customers at your business with the Modena TTC conveyor toaster.

Great for virtually any commercial kitchen or busy breakfast area this conveyor toaster is fast, efficient, and easy-to-use. Not only does it toast up to 400 slices of bread per hour, but it accommodates a range of bread products, from traditional white slices to hearty, wheat bagel halves. It features an adjustable speed dial for custom toasting levels and goes into standby mode when not in use to help save energy. It's a great workhorse for cafes, buffets, and coffee shops, especially during the morning breakfast rush!
